

GUIDED 3-DAY CITY TRIP IN PORTO BY THE DOURO IN PORTUGAL

Type of travel: **Short trips**
Number of days: 3

Porto at its best: sightseeing, wine tasting and a romantic cruise on the Douro

During this guided 3-day city trip, you discover the charming city of Porto, where there is a lot to see and do. Of course, Porto is the centre of Port wines, ruby, tawny, vintage... plenty to choose from! So, during this 3-day city trip in Porto, go for a tasting.

Porto is situated on the Douro River, which is synonymous with romance. The name Douro actually means "gold", which is why the Douro River is also called the "Golden River", and not without reason. Watching the sunset, you will immediately know why!

Our extremely knowledgeable English-speaking guide & driver knows Porto and the Douro region like the back of his hand. With great bravura and enthusiasm, he will tell you all about the charming city of Porto and the Douro region around it.

Programme

Day 1

Porto and places of interest

We welcome you at Porto airport and start our mini-tour right in the centre of the city of Porto with its numerous attractions.

Put on your walking shoes, because we will leave the car behind before you and your private guide explore the city. Don't feel like walking a lot? To give your feet a rest, you can take a hop-on hop-off bus between the different locations and choose what you want to visit. Ask our guide for more information.

Our favourites to visit in Porto: the narrow streets on the waterfront (the Ribeira), Torre dos Clérigos, Ponte Dom Luis I, the cathedral, Praça da Liberdade, Estação de São Bento, the bookstore Lello & Irmão (allegedly J.K. Rowling found the inspiration for the library for the Harry Potter books here), and all the interesting little baroque churches you'll find along the way.

From your arrival in Porto, your private driver & guide will be at your disposal for another 6 hours and a maximum of 100 km.

Overnight stay: in Porto.

Day 2

Sightseeing in Porto and possibility of a cruise on the Douro river

Today you can explore the city of Porto further or enjoy a cruise on the Douro River. Plenty of providers to choose from! Cruzeiros Douro, for example, has many options, with or without wine tasting.

Or do you prefer a trip in the Douro Valley, or a visit to the towns of Braga, Guimarães, Villa Real and/or Lamego nearby? Today your private driver & guide will be at your disposal for 9 hours and up to 150 km.

Overnight stay: in Porto.

Day 3
